

§ 153A-317.15. Required provision or maintenance of skills training center.

(a) New District. – When a county creates a district, it shall provide, maintain, or let contracts for the skills training center for which the district is being taxed within a reasonable time, not to exceed one year, after the effective date of the creation of the district.

(b) Extended District. – When a territory is annexed to a district, the county shall provide, maintain, or let contracts for any necessary additions to the skills training center to provide the same training provided throughout the district to existing and new industries in the area annexed to the district within a reasonable time, not to exceed one year, after the effective date of the annexation. (2003-418, s. 1.)
